

20 Years of Grit. Decades of Reliability.

"On time, Every time, Anywhere."

Decades of Experience, Driven by Excellence.

At Cabrera Logistics USA 20 Years of Grit. Decades of Reliability. hands-on experience to the heart of the Northeast's transportation network. Based in the NJ/NY metropolitan area, we have spent two decades navigating the busiest ports and rail ramps in the country.

We understand that in the intermodal world, every minute counts. We've built our reputation on precision, ensuring that every load is handled with the expertise that only twenty years on the road can provide. We don't just deliver cargo; we deliver peace of mind.

TRUCKING SERVICE

Intermodal Drayage & Rail Solutions

We specialize in the seamless movement of ocean and domestic containers between major New Jersey rail ramps and their final destinations.

- Key Ramps Served: NS Croxton, CSX North Bergen, CSX Little Ferry, and E-Rail.
- Equipment: Expert handling of 20ft, 40ft, 45ft, and 53ft containers.
- Priority: Focused on "Last Free Day" management to eliminate demurrage and storage costs.
